Orange Farm Lollies

Follow me on ♡ Hey Taylor!

By Chef Hey Taylor | Makes 12
Prep: 15 min | Freeze: 6 hours or overnight
Ingredients: 1½ litres cold water, orange juice concentrate or powdered orange drink (enough to flavour 1½ litres, following packet directions), up to 3 tbsp sugar if needed, 1 cup chopped orange or naartjie segments (optional), 12 ice lolly moulds or small plastic cups and sticks.

1. Mix water and orange concentrate or powdered drink in a large jug. Stir until fully dissolved. Taste and add sugar only if needed, stirring well.
2. Divide the fruit between the moulds or cups, then pour in the orange mixture, leaving a little space at the top.
3. Insert sticks into moulds. For cups, freeze for about 1 hour until partly firm, then insert sticks upright.
4. Freeze for at least 6 hours or overnight until solid. Serve immediately and enjoy!
